To: Palashdpa42@gmail.com

Dear Palash Pai Angle,

Greetings from the Organizing Committee of the **24th ISME Conference on Mechanical Engineering – Innovations for Viksit Bharat (ISME 2026)**.

We are pleased to inform you that, based on the recommendations of the Technical Committee, your extended abstract has been **accepted for oral presentation** at ISME 2026. We congratulate you and cordially invite you to register for the conference, submit a full-length paper and present your work at the conference.

Assigned Paper ID: ISME_FT_81
Title of the accepted paper: Development of a GPU accelerated Fluid Structure Interaction Solver Using Immersed Boundary Methods on a Structured Mesh
Authors: Palash Pai Angle, Atul Kumar Soti

Please note the following important information:

1. Mandatory Full-Length Paper Submission: Submission of the full-length paper is mandatory for all accepted extended abstracts. Papers must be prepared strictly in accordance with the conference template and author guidelines available on the conference website. **The last date for submission is 30 September 2026. Authors are strongly encouraged to submit their manuscripts as early as possible to facilitate the peer-review process.**

2. Peer Review Process: All submitted full-length papers will undergo a rigorous peer-review process. The review comments and editorial decisions will be communicated to the corresponding author for necessary revisions, wherever applicable.

3. Publication Opportunity: Based on the quality of the submitted manuscript, the reviewers' recommendations, and the decision of the Editorial Committee, selected papers will be considered for publication in the conference proceedings or partner journals, subject to their respective review and acceptance processes. Further details will be communicated in due course.

4. Conference Registration: At least one author must complete the conference registration within the stipulated deadline. Registration is mandatory for confirmation of paper acceptance and allocation of an oral presentation slot in the technical programme. **The last date for registration is 30 September 2026. Early registration is highly encouraged to facilitate timely processing and scheduling of the technical programme.**

5. Book of Abstracts: It is planned to publish an **ISME 2026 Book of Abstracts** containing a maximum **100-word (or 1000-characters) Executive Summary** of each accepted paper, provided that at least one author has registered for the conference. The Executive Summary should **not include the paper title, author names, or affiliations** and should be entered **as text** in the online registration form. It is **in addition to the paper abstract** and need not be identical to it. The Executive Summary should be written in simple, clear, and concise language so that readers from outside the specific field can readily understand the significance of the work.

We kindly request you to submit your full-length paper and complete your registration within the prescribed deadlines to facilitate the review process and preparation of the technical programme. **The link for the registration and full-paper submission is here.**

The paper template, submission guidelines, registration details, and other conference-related information are available on the ISME 2026 Conference Website.

Important: Kindly quote your **Paper ID** in the subject line of all future correspondence related to your submission. For any queries, please contact the **ISME 2026 Secretariat** at isme2026@iitg.ac.in.

We sincerely appreciate your contribution and look forward to welcoming you to **IIT Guwahati** for ISME 2026.

Warm regards,

Organizing Team
